

We use premium dye-sublimation ink... the best that money can buy for our Photo gifts. The dye-sublimation process transfers the image deep into the surface of the product, almost like a tattoo, creating your photo Gift. The result: beautiful, vibrant colors and realistic images on your personalized gift that will last for years.

FAQ's

Here is a list of questions we feel most reflect our customers concerns. If you have a question that is not listed here, feel free to contact us, we will be glad to answer it for you.

How does Mad Dog Printing work?

Mad Dog Printing is a convenient way to create, and order a wide variety of items able to be personalized with your pictures. We offer you the option to use your traditional pictures or digital pictures to create high-quality, attractive products that are sure to be enjoyed for years to come.

Do you have a Catalog?

Our products are limited only by your imagination. Any image or combination of images can be used, provided you have the right to reproduce them. Because of this, we do not have a catalog.

Is there a setup fee?

No setup fee is required to order from Mad Dog Printing! Simply stop in or use our convenient mail in form, and you're ready to order! No setup fee is required for any of our personalized products. There are no hidden charges. You pay for all the personalized products you want, plus the applicable shipping charge. (no shipping charge for order picked up at our store) That's all.

What are the supported file types?

There are 5 basic file types you can use for your photo gifts: .jpg, .bmp, .tif, .png, and .gif.

Can I use Black and White images?

YES! In fact, black and white images can give your photo gifts a "timeless" feel that will give them a special feeling to you many years from now. Feel free to use black and white images, sepia ("old-fashioned") images, or even just designs your kids have drawn using Paint or some other computer-graphics program.

What is the minimum quantity required to order?

Due to our advanced digital process, there is no minimum quantity required to order. You can order one of each of our products, or you can order a thousand of each of our products. It's entirely up to your needs.

How big of an image can I upload?

We will accept almost any size picture. However, in order to be able to efficiently produce your order, we will only store enough image data to print a 300 dpi 10.5" x 8" picture - the largest possible image we print on a Photo Gift.

What are the shipping costs?

\$4.95 for the first item and \$2.45 for each additional item.
